**SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in Silver Advantage in 2023**

**If you do nothing to change your Medicare coverage by December 7, 2022 we will automatically enroll you in our Capital Health Plan Silver Advantage plan.** This means starting January 1, 2023, you will be getting your medical and prescription drug coverage through Capital Health Plan Silver Advantage plan. If you want to change plans or switch to Original Medicare you must do so between October 15 and December 7. If you are eligible for Extra Help, you may be able to change plans during other times.

The information in this document tells you about the differences between your current benefits in Capital Health Plan Silver Advantage and the benefits you will have on January 1, 2023 as a member of Capital Health Plan Silver Advantage.

**SECTION 2 Changes to Benefits and Costs for Next Year**

**Section 2.1 – Changes to the Monthly Premium**

<b><u>Cost</u></b>	<b>2022 (this year)</b>	<b>2023 (next year)</b>
<p><b>Monthly premium</b>                      (You must also continue to pay your Medicare Part B premium.)</p>	<p>\$0.00</p> <p>Capital Health Plan will reduce your Medicare Part B premium by \$33.00 each month</p>	<p>\$0.00</p> <p>Capital Health Plan will reduce your Medicare Part B premium by \$35.00 each month</p>

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 7 regarding “Extra Help” from Medicare.

---

**Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount**

---

Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

	<b>2022 (this year)</b>	<b>2023 (next year)</b>
<p><b>Maximum out-of-pocket amount</b>                      Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p>	<p>\$3,400</p>	<p style="text-align: center;">\$3,650</p> <p>Once you have paid \$3,650 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.</p>

---

**Section 2.3 – Changes to the Provider Network**

---

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.capitalhealth.com/Medicare](http://www.capitalhealth.com/Medicare). You may also call Member

Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

---

## Section 2.4 – Changes to the Pharmacy Network

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost sharing, which may offer you lower cost sharing than the standard cost sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at [www.capitalhealth.com/Medicare](http://www.capitalhealth.com/Medicare). You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2023 Pharmacy Directory to see which pharmacies are in our network.**

---

## Section 2.5 – Changes to Benefits and Costs for Medical Services

---

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your *2023 Evidence of Coverage*.

Medical Benefit	2022 (this year)	2023 (next year)
Occupational Therapy	\$40	\$30

<b>Physical Therapy</b>	\$40	\$30
<b>Speech Therapy</b>		
<b>Cardiac Rehab</b>	\$50	\$40
<b>Pulmonary Rehab</b>	\$30	\$20
<b>Part B Drugs</b>	Starting April 1st, your share of the cost for Medicare Part B drugs will not exceed the Medicare allowed amounts amounts. July 1st, you will pay no more than \$35 for Part B covered insulins.	

## Section 2.6 – Changes to Part D Prescription Drug Coverage

**Changes to Our Drug List- Important Message About What you Pay for Vaccines-** Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

Our list of covered drugs is called a Formulary or “Drug List.” You may request a copy of our Drug list or visit our website [www.capitalhealth.com/Medicare](http://www.capitalhealth.com/Medicare). **You can get a complete Drug List** by calling Member Services (see the back cover).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.

**We encourage current members** to ask for an exception before next year.

- To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you requested and were granted a formulary exception this year, this exception is valid only through the end of the year. If you would like to receive a formulary exception again next year a new request will need to be submitted.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2023, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions or both.

This means, for instance, if you are taking a brand name drug that is being replaced or moved to a higher cost-sharing tier, you will no longer always get notice of the change 30 days before we make it or get a month's supply of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to the Drug List, see Chapter 5, section 6 of the Evidence of Coverage.)

## **Changes to Prescription Drug Costs**

**Important message about what you pay for insulin –**  
You won't pay more than \$35 for a one month supply of each insulin product covered by our plan, no matter what cost sharing tier it's on.

**Getting Help from Medicare About What You Pay for Insulin – If you chose this plan because you were looking for insulin coverage at \$35 a month or less, it**

**is important to know that you may have other options available to you for 2023 at even lower costs because of changes to the Medicare Part D program. Contact Medicare, at 1-800-MEDICARE (1800-633-4227), 24 hours a day, 7 days a week for help comparing your options. TTY users should call 1-877-486-2048.**

**Additional Resources to Help** – Please contact our Member Services number at 850-523-7441 or 1-877-247-6512 (TTY 850-383-3534 or 1-877-870-8943) 8:00a.m. – 8:00p.m., seven days a week, October 1 – March 31; 8:00am – 8:00 p.m., Monday – Friday, April 1 – September 30. State of Florida members call 1-877-392-1532, 7:00a.m. – 7:00p.m.

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and haven’t received this insert by September 30, 2022, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 8.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two

stages the Coverage Gap Stage or the Catastrophic Coverage Stage. To get more information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*, which is located on our website at [www.capitalhealth.com/Medicare](http://www.capitalhealth.com/Medicare). You may also call Member Services to ask us to mail you an Evidence of Coverage.)

## **SECTION 4 Deciding Which Plan to Choose**

---

### **Section 4.1 – If you want to stay in Capital Health Plan Silver Advantage**

---

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2023.

---

### **Section 4.2 – If you want to change plans**

---

We hope to keep you as a member next year but if you want to change for 2023 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan timely,
- --OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2023*, call your State Health Insurance Assistance Program SHIP (see Section 5), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov/plan-compare>, **Here, you can find**

## **information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Capital Health Plan offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

### **Step 2: Change your coverage**

- To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Capital Health Plan Silver Advantage.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Capital Health Plan Silver Advantage.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## **SECTION 5 Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023. For more information, see Chapter 10, Section 2.2 of the *Evidence of Coverage*.

## **SECTION 6 Programs That Offer Free Counseling about Medicare**

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Florida, the SHIP is called SHINE (Serving Health Insurance Needs of Elders).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-963-5337 (TTY 1-800-955-8770). You can learn more about SHINE by visiting their website ([www.floridashine.org](http://www.floridashine.org)).

## **SECTION 7 Programs That Help Pay for Prescription Drugs**

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).

- **Prescription Cost-sharing assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the local County Health Department. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call your local County Health Department and speak with an ADAP staff member or call the Florida HIV/AIDS Hotline at 1-800-352-2437 (TTY 1-888-503-7118).
