**By completing this enrollment application, I agree to the following:**

- I must keep both Hospital (Part A) and Medical (Part B) to stay in Capital Health Plan. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another individual Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15<sup>th</sup> – December 7<sup>th</sup> of every year), or under certain special circumstances.
- Capital Health Plan serves a specific service area. If I move out of the area that Capital Health Plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Capital Health Plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Capital Health Plan when I get it to know which rules I must follow in order to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.
- By joining this Medicare Advantage Plan or Medicare Prescription Drug Plan, I acknowledge that Capital Health Plan will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information. (see Privacy Act Statement below).
- Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.
- The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.
- I understand that when my Capital Health Plan Retiree Advantage (HMO) coverage begins, I must get all of my medical and prescription drug benefits from Capital Health Plan. Benefits and services provided by Capital Health Plan and contained in my Capital Health Plan Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor Capital Health Plan will pay for benefits or services that are not covered.
- I understand that my signature (or the signature of the person authorized to act on my behalf) on this application means that I have read and understand the contents of this application. If signed by an authorized representative (as described above), this signature certifies that:
  - 1) This person is authorized under State law to complete this enrollment and
  - 2) Documentation of this authority is available upon request from Medicare.
