Capital Health 3102 Platinum \$10/\$40/\$60/\$100

Coverage for: Employee or Family | Plan Type: HMO

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your <u>deductible</u> ?	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	Yes. \$60 per child for pediatric dental services (if purchased through the alliance dental plan). There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$3,500 Individual/\$7,000 Family Combined Medical & Rx	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.capitalhealth.com or call 850-383-3311 for a list of network providers.	Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes. Some specialists require a referral. For a list of specialists that require a referral go to <u>capitalhealth.com/ReferralAndAuth</u> .	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
