Urgent Care of
Capital Health
P L A NSM

LOCAL. VALUE.

We are here for you.

- Low copayment
- Less hectic and more convenient with appointment scheduling
- Patient is often seen faster than a traditional emergency room
- Additional services such as x-ray and lab work are available at the same location
- Not a walk-in clinic
- Staffed by physicians, nurse practitioners and nurses

LOCAL. SERVICE.

When you need us most.

- Upper respiratory infections such as colds, ear infections, bronchitis and sore throat
- Acute cases which include fever, nausea, vomiting and urinary tract infections
- Minor trauma such as ankle sprains and cuts
- Effective October 28, 2019, Urgent Care will be located at our new Metropolitan Health Center at 1264 Metropolitan Blvd., in northeast Tallahassee.

LOCAL. TRUSTED.

We're your neighbors.
